Making a Claim

- If you need to make a claim under Sections A to G of this policy:

Please let us know as soon as possible after the incident by contacting our Claims Team on 01872 277151. This service is available Monday to Friday 8.30am to 5.30pm.

If you are contacting us out of hours, you can leave us a message and an experienced claims handler will contact you when we are open.

Please ensure you leave your details, including your policy number, in any message left for us so that it will enable us to deal with your claim efficiently.

If your vehicle has been damaged and is suitable for our Partner Repairer network we will be able to instruct one of our Partner Repairers in order to progress the repair.

They can arrange to collect the vehicle from your home if required and can provide you with a courtesy car for the duration of any repair.

Cover will be provided under this policy for any courtesy car supplied by our Partner Repairer subject to the policy remaining in force for the period that the courtesy car is in your care.

Please note that any claim for the courtesy car will be treated as a separate claim under your policy.

The courtesy car will usually be a 1 litre, 3 door, manual transmission car, or similar, it is not intended to be a like for like replacement for the insured vehicle.

Our Partner Repairers guarantee all repairs for a minimum of three years and your vehicle will be washed and vacuumed prior to return.

If you have Section B then there is cover for your windscreen claim. Please contact a repairer of your choice and send the invoice to us. We will reimburse less the excess and VAT if applicable.

Should you receive any claim by a third party or any notice of proceeding, you must send it to us as soon as possible, without responding.

- If you need to make a claim under Section H (Legal Expenses) of this Policy, please note the following:

You should call: **01872 272 160**

(lines are open 24 hours, 365 days per year for motor claims reporting)

Under no circumstances should you instruct your own lawyer as any costs incurred without agreement will not be paid.

You will be required to give details of the accident and names and addresses of all parties involved including any witnesses.

If the advisor believes the accident is not your fault, the advisor will arrange for a legal expert to contact you who will help claim back your losses and obtain compensation for any injuries and/or for you to be contacted to assess your need and suitability for a replacement vehicle. Ensure no contact is made with anyone else regarding claiming back your losses or compensation for personal injury.

- If you require breakdown assistance and the Schedule includes **Section J: Motor Breakdown Solutions**, please call: **01872 272 178**.

Foreign Use

We recommend that you contact us before taking the insured vehicle beyond the confines of Great Britain, Northern Ireland, the Isle of Man and the Channel Islands as coverage for foreign use depends on which sections of the policy are shown as operative in the Schedule.

- **For policies with prefix letters PC, PM and FM,** the insurance provided by this policy applies to events occurring in:
 - i) any country which is a member of the European Union and
 - ii) Andorra, Iceland, Norway, Serbia and Switzerland.Your Certificate of Insurance provides confirmation of this cover and you should ensure that you carry it with you when travelling in these countries. Further advice is available in our "Motor Insurance Foreign Use Guidance" booklet which is available on request.
- **For policies with prefix letters GV and CM,** the insurance provided by this policy does not apply to events occurring outside of Great Britain, Northern Ireland, the Isle of Man and the Channel Islands, other than the compulsory minimum insurance for motor vehicles as set out in Section A - "Compulsory Motor Insurance Laws". Subject to our prior approval cover can be extended, for a limited period, to events occurring in:
 - i) any country which is a member of the European Union and
 - ii) Andorra, Iceland, Norway, Serbia and Switzerland.

You must contact us before travelling if you require this extension to cover.

No Claims Discount (NCD)

Policies with prefix letters PC, PM and FM only

Entitlement to NCD is allocated by reference to the number of claim free years since the last claim. The Scale of Discounts from basic premiums is:

No of claim free years since last claim	Discount
Less than 1 year	0%
One year	35%
Two years	45%
Three years	55%
Four years	60%
Five years or more	70%

After each additional claim free year your entitlement will move one step up the scale. Claims for damage to the windscreen or windows only do not affect the discount.

Where a single claim occurs and there is not a full recovery made by Cornish Mutual, at the next renewal date the discount reduces by two steps down the scale.

Where two claims affect the discount entitlement in one year of insurance, at the next renewal date the discount reduces by four steps down the scale.

Where you produce documentary evidence from other insurers regarding claim free years, the premium calculation takes into account the above table.

Protected NCD

If you select to protect your NCD this means that, even if you have up to two fault claims in a five year period, you can keep your full NCD for the following year. If you have more than two fault claims in any five year period your Protected NCD will be lost at the next renewal date. A fault claim is any claim where we cannot recover the full cost of that claim from a third party. You will pay an additional premium to protect your NCD.

NCD protection does not protect the overall price of your insurance policy. There may be other factors that affect the insurance premium and protecting your NCD does not guarantee the premium you will pay in the future. The price of your insurance policy may increase following an accident even if you were not at fault.

The tables below show:

- i) the average NCD awarded to our motor insurance policyholders last year according to the number of NCD years; and
- ii) what would happen to your NCD years if you were to make one or more claims in the next 12 months with and without this protection.

5. Cancelling the policy:

(a) Your right to cancel

There is a 14 day cooling off period from the date you receive your documents. If you decide to cancel the Policy during this time we will refund your premium provided no claims have been made. For a cancellation at any other stage during your Policy year please contact us and we will only charge you for the time on cover unless a claim has been made in which case we will keep the full premium.

(b) Our right to cancel

We may cancel your Policy by sending at least seven days' notice in writing by recorded delivery to your last known address. We will only charge you for the time on cover unless a claim has been made in which case we will keep the full premium. Valid reasons for cancelling include but are not limited to:

- a) refuse all claims
- b) cancel the policy from the beginning and retain all premiums paid.

General Conditions

7. Premium payment by instalments

- a) if you agree to pay your premium by monthly direct debit or a similar arrangement you must pay any deposit we ask for and make sure your instalment payments are kept up to date;
- b) if you make a claim, we may deduct any outstanding amounts due to us before paying the claim.

Claims Conditions

1. Your duties:

When an incident occurs that may result in a claim you must:

- a) tell us as soon as you become aware;
- b) take all practicable steps to recover property lost and otherwise minimise the claim;
- c) tell the police immediately if the damage is caused by thieves, malicious persons, vandals, or as a result of riot, civil commotion, strike or labour disturbance;

We may take, start, take over, defend and conduct any legal action in your name or that of any other person insured by your Policy.

We may prosecute in your name for our benefit any claim for payment or damages. We will have full discretion in the conduct and settlement of any such action.

3. Fraudulent Claims:

If you make any claim which is fraudulent or false, no payment shall be made. We may, by giving notice to you, cancel the Policy with effect from the date of the fraudulent act.

4. Right of Recovery:

If the law of any country in which we are providing cover requires us to settle a claim which, because of breach of any of the terms or conditions of this Policy, we would not otherwise have paid, we reserve the right to recover this amount from you or from the person who incurred the liability.

5. Other Insurance:

We will not make any payment for any claim that results from an incident that is covered by any other insurance that you hold, in the event that any other policy that you hold with any other insurance company excludes payment under that policy where more than one insurance exists.

Where any other insurance policy that you hold provides an exclusion that each and every insurance company should pay their rateable proportion of any claim that is insured more than once, it is the intention of this clause that we will pay the appropriate rateable proportion.

No liability is accepted under this Section for delays **You** experience in reaching **Your destination**.

Breaking down on the motorway in Europe

If **You** have broken down on a European motorway or major public road **Call Assist** is generally unable to assist **You** and **You** will often need to obtain help by using the SOS phones. The **Insurer** will pay up to £60.00 towards reimbursement of the costs provided that **You** send a claim form together with a valid invoice or receipt to **Call Assist**. Payment will be made in accordance with the currency exchange rate on the date of the claim.
